

## 2018 Annual Conference Spouse Program

In addition to our great conference program, HI has planned several fun activities for attendees, spouses & guests to enjoy both on property at the Wigwam Resort and around the Phoenix area. As you plan your conference attendance, consider adding some of the following activities to make the most of your time in Phoenix. If you have any questions, please contact Pamela Roccabruna, Director, Marketing, Communications and Events, Hydraulic Institute, at [proccabruna@pumps.org](mailto:proccabruna@pumps.org).

### Guest Welcome Tea

**Tuesday, February 27, 3:45 - 5:30pm**

Welcome new spouses and catch up with friends over an afternoon cup of tea to plan your visit and get ready for the local tours and events to begin!

During this get together, the Wigwam Resort concierge will provide an overview of the special events offered during your time at the conference along with other local attractions and areas of interest. The concierge is happy to assist in all on and offsite resort property tour or activity requests. **Fee: Free**

### Guided Mountain Bike Tour in the White Tank Mountains

**Wednesday, February 28, 1:00 - 6:00pm**

Join us for a Great Adventure! This outing begins with an overview provided by an expert mountain bike guide, who will accompany guests from their accommodations in town to the start of the ride. Upon arrival at the trailhead, riders will find a well-organized collection of high performance bikes suited to a variety of abilities, all necessary support and safety equipment, bottled water and snacks for the duration of the excursion, and an expert team of professional guides to provide instruction, supervision, and leadership for the day.

Some guests will desire a leisurely cruise with all of the interpretive highlights the crew can provide. Some will want an invigorating workout in rugged and challenging terrain, and the guide staff are experts at matching guests' desires to a safe and satisfying itinerary. **Fee: \$175**

**Desert Botanical Garden Tour**  
**Thursday, March 1, 9:00am - 12:00pm**

Join your colleagues for a Desert Discovery Tour at the Desert Botanical Garden! Learn about Ethnobotany and people's interactions with desert plants. Learn the amazing ways people use desert plants for food, tools, and shelter. This tour features such plants as saguaros, agave, mesquite, prickly pear, and jojoba as you traverse through the highlights of the collection. **Fee: \$80**

---

**Adventures in Aromatherapy - Rejuvenating Intro to Aromatherapy**  
**Thursday, March 1, 1:30 - 4:30pm**

Come experience the world of essential oils! Learn how to live a chemical-free lifestyle through essential oils. Guests will learn the healthy properties of specific oils that have been used for centuries to sooth pain, enhance relaxation, and change your mood.

The group will also learn the importance of slowing down with a brief course on meditation. After class, the group will be led in a guided meditation with the oils, creating a happy and relaxed lifestyle. Guests will leave this class with their very own essential oil for them to take home! **Fee: \$115**

---

**Red Door Salon and Spa Desert De-Stress Getaway**  
**Friday, March 2, 9:00am - 12:00pm**

Begin the final day of the conference with a morning at the spa! Enjoy an express facial, customized targeted booster and hydrating hand treatment with massage. This event includes a light continental breakfast and use of the spa. **Fee: \$165**

---
