

- |    |                         |     |                           |
|----|-------------------------|-----|---------------------------|
| 1  | Casing                  | 74  | Collar, thrust outboard   |
| 2  | Impeller                | 78  | Spacer, bearing           |
| 6  | Shaft, pump             | 230 | Magnet assembly, inner    |
| 12 | Shaft, drive            | 231 | Shell, containment        |
| 16 | Bearing, inboard        | 232 | Magnet assembly, outer    |
| 18 | Bearing, outboard       | 233 | Housing, bearing bushing  |
| 19 | Frame                   | 235 | Bushing, bearing inboard  |
| 37 | Cover, bearing outboard | 237 | Bushing, bearing outboard |
| 72 | Collar, thrust inboard  | 239 | Cover, casing             |
| 73 | Gasket                  | 252 | Ring, rub                 |

**Figure 5.6 — Magnetic drive pump: separately coupled (closed or semi-open impeller)**
