

Application for Associate Membership - Systems Integrators

We qualify for Hydraulic Institute associate membership in the systems integrator category as defined in the HI bylaws:

“Eligibility to apply for associate membership shall also be open to corporations and firms in the U.S., Canada or Mexico whose primary business is integration, manufacture and assembly of pump and pumping components into a system or modular solution, as opposed to pump distribution where systems integration is incremental to the business.”

The undersigned hereby applies for Associate Membership. If elected to membership, as approved by the HI Board of Directors, we accept and agree to abide by the Constitution, By-laws, Anti-trust guidelines and Associate Member Policies and Procedures of the Institute as are presently constituted and as they may be amended from time to time.
