

# Hydraulic Institute Industry Partner Program

## Collaboration to Benefit the Global Pump End-User Community

The HI Industry Partner program is open to individuals who are employed by engineering firms, provide engineering services, are end-users of pumps, or are retirees and who wish to contribute to the development of Hydraulic Institute's resources for the pump industry including standards, guidelines, guidebooks, and other educational materials.

Tapping into the collective knowledge of these individuals ensures that HI reference materials reflect current, real-world practices in the fluid handling industry.

### Benefits Include:

- Participation in standards, guidebooks and educational materials development
- Conference and webinar presentation opportunities
- Networking, education and professional development
- Discounted conference registration fees for retirees
- Discounts on HI standards, guidebooks, and educational events

To become an HI Industry Partner, complete this form and mail it with payment of the appropriate annual fee to the address provided.

Please see additional eligibility, exclusions and participation requirements on reverse side.

### **ELIGIBILITY:**

Individuals that are employed by engineering firms, provide engineering services, are end-users of pumps, or are retirees may participate as a “Hydraulic Institute Pump Industry Partner”. To be eligible the individual must meet one of the following criteria:

- 1) Must provide pump and pumping system engineering, process, or facility design, procurement, project management, construction services, hydraulic or mechanical modeling, analytical methods, or laboratory or field-testing to a facility owner, government, or vendor.
- 2) Must be an end-user of pumps.
- 3) Must be a retiree (DISCOUNTED PRICING)

### **EXCLUSIONS:**

Individuals employed by corporations that are eligible to join the Hydraulic Institute are not eligible to become HI Pump Industry Partners but are encouraged to apply for membership. Individuals employed by companies whose primary business is in the distribution or reselling of pumps or related pumping equipment are not eligible for the Pump Industry Partner Program.

### **PARTICIPATION:**

Each Industry Partner must complete a Technical Areas of Expertise Form available for download at [www.Pumps.org/IndustryPartner](http://www.Pumps.org/IndustryPartner). Industry Partners are welcome to attend HI conferences and events at HI member prices. Retirees who are Industry Partners attend at reduced rates. Industry Partnership is on an individual basis and does not extend to the Partner’s business colleagues or to the business enterprise where he or she is employed.

### **ACKNOWLEDGMENT:**

I understand that joining as an HI Pump Industry Partner does not imply membership in the Hydraulic Institute nor does it imply that Industry Partners receive preferential advantage over others in the selection to participate in review and final approval of ANSI/HI standards during the ANSI Canvass Review process. Industry Partners are, however, encouraged to actively participate in HI Committees and attend HI meetings, contributing their unique knowledge and expertise to the drafting and editing of HI standards, guidelines and other educational resources. In submitting this application I agree to abide by the Antitrust Guidelines, the HI Code of Conduct, and all other HI policies and procedures as presently constituted and as may be amended from time to time. Further, I agree not to discredit the products, personnel, activities or policies of the Institute, HI members, Associate Members, Standards Partners or other Industry or Academic Partners. I understand that failure to comply with the forgoing or any other HI policy or procedure may be sufficient reason for HI to re-evaluate and rescind my Industry Partner status.
